3. General Testing Information

The Board has contracted with Prov, Inc. to administer the required written and practical examinations for licensure. The purpose of this bulletin is to provide you with information about taking your licensing examinations.

Testing with Prov

Your written exam will be administered by computer at one of Prov's testing centers. Prov's testing system is easy to use and requires no specific computer experience to take the test.

Written exams may also be taken remotely from home. More information about remote testing is provided in the section titled "Remote Testing".

Your practical exam is administered in person at one of Prov's practical testing centers, where an examiner observes and scores the services you perform. The remote testing option described in this bulletin applies to written exams only.

The following link will take you to a short video that demonstrates Prov's testing system:

<https://youtu.be/h3T9svnIdLY>.

Where to take your exam in New Hampshire

Prov has **4** testing locations in New Hampshire where you may take your examinations. Locations are provided later in this bulletin. Practical examinations are given only at the locations identified as practical testing centers in that list.

Remote Testing

Prov is also authorized to offer the written exams remotely. This means written examinations can be taken at home (or any other quiet site with adequate internet speed and free from distractions). This space must be private and is not available to anyone other than the testing candidate during testing. You will use the [Examroom.ai](#) remote proctoring tool.

More information about remote testing is provided on the following pages of this bulletin.

4.4 Cancellation and rescheduling

You can reschedule or cancel your testing appointment online for free if you do so before the deadline for your examination: at least **3 days** before your test date for Theory examinations and at least **7 days** before your test date for Practical examinations. 5. Exam Information

5.1 Study aids and practice exams

Prov offers a digital practice examination for the following exams. A practice exam helps you become familiar with the question format and the subject areas tested; it is not a substitute for studying the references listed for your examination. Purchase it in the Prov bookstore at <https://new.provexam.com/bookstore> or by calling (801) 733-4455, then take it online from your Prov account.

6. Test Day Rules and Procedures

What to bring, what to leave behind, and the rules every candidate must follow on test day.

6.1 Test site testing – check-in deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fee, and will be required to reschedule for a future testing date.

6.2 What is Examroom?

Examroom is a remote test monitoring service that allows you to take your test on your own computer at your home. On test day, you log into the Examroom website and request to start your exam. A test proctor will greet you over your computer, will verify your identity, take your picture, and observe you throughout the testing process.

Not every computer system is capable of taking a test on Examroom. The following are the **MINIMUM** requirements:

- The operating system on computer needs to be recent (less than 3-4 years old)
- Works on a MAC, PC, or Chromebook
- Need either a Chrome or Firefox browser (Chrome works best)
- Need a functioning computer web-camera and microphone
- Need a good consistent Internet connection capable of uploading files in excess of 3 Mbps

Please do a system check before scheduling: <https://examroom.ai/systemtest/>

If you do not have access to equipment that meets the minimum requirements, Prov has laptops available for use. To request access, call (866) 720-7768.

6.3 Remote testing information

By choosing to test remotely, you agree to abide by the following conditions:

1. You will need to be in a quiet, distraction-free environment.
2. You need to sit at a table, desk, or counter.
3. Your table or desk needs to be completely clear of anything you are not permitted to use during testing.
4. All non-testing electronic equipment needs to be removed from the room.
5. All windows in the testing room must be covered.
6. Your area under your table, desk, or chair needs to be clear of everything.
7. Your work area needs to be obstruction free so that we can see you, your arms and hands, throughout the entire testing process.
8. You are not permitted to have anyone in the room with you, nor can you receive any aid from anyone during the test.
9. You are not permitted to access any other website during testing unless directed by the system.
10. If requested to download a special extension on your computer, you will not tamper with it or try to disable it while testing.

6.4 Exam day procedures

On the day of your exam:

1. Head to <https://provexam.com>
2. Click "Start My Test" from the home page menu
3. Review the instructions on the page and click "Start My Test" to be directed to <https://examroom.ai/login/>
4. Enter the email address you used to register for your test
5. Enter your candidate ID as your password
6. You will be greeted by an onboarding agent to help you check-in and start your test

6.5 Proof of identity

You will be required to show government-issued, photo-bearing identification that includes your signature. Your first and last name on your ID MUST match the name on your admission documents. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. Temporary IDs must have a photo to be accepted. Expired IDs will NOT be accepted. Please contact Prov in advance of your test date if you have any questions regarding your photo ID. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing as instructed or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

6.6 Prohibited items

No cameras, recorders, cell phones, computers, pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items should be placed in secure storage at the testing facility.

For exam security you may also be asked to remove articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

Important

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with your exam fee forfeited, and the State will be notified of your dismissal from the exam.

6.7 Visitors

No one other than the candidate will be allowed in the testing room.

6.8 Unethical conduct

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Board. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

6.9 Candidate civility expectations

We understand that taking a test can be stressful. Sometimes this stress may cause someone to visibly show their frustration during or after the testing event. While we understand the sources of stress, we find any action that threatens our proctors or examiners to be unacceptable. If a candidate verbally or physically threatens or assaults any of our proctors or examiners, that candidate may be banned from testing for a time. The candidate's actions will be reported to the licensing Board or agency. If any physical harm occurs, civil action may also be taken against the candidate.

7. Results, Retesting, and Exam Challenges

7.1 Results reporting

Results are not provided at the test site. Prov releases your score report within 1 day of your examination, emails it to the address on your registration, and forwards your results to your licensing authority.

7.2 Retesting

If you do not pass, you must wait 30 days before retesting.

Candidates cannot retake an exam once they have passed unless required by their licensing authority.

8. Non-Discrimination and ADA Accommodations

8.1 Prov's non-discrimination statement

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at (801) 733-4455 or write to: Prov, Inc., 200 W Civic Center Dr, Suite 160, Sandy, UT 84070.

8.2 Americans with Disabilities Act accommodations

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations. Written documentation from a licensed physician or psychologist documenting the disability and the recommended accommodations is required, and Prov will work directly with you to arrange the approved accommodations.

To learn more or request an accommodation, visit our ADA Accommodations page at provexam.com/ada-accommodations.

Note

Accommodations will not be provided based solely on a candidate's inability to read and comprehend English.

- After you are seated, follow all the instructions given and verify the information presented to you. This information will include your name, candidate ID, exam name, and occasionally additional testing materials such as graphics.
- If you leave the testing room during the test, you must notify your proctor and turn in all your testing materials.
- You may take up to 1 break during your examination. Please note that when you take a break you will not be able to change any answers to questions you have previously seen or review any prior answers to questions.

10.2 Computer testing navigation

Please review the following guide to understand how to navigate the Prov computer-based testing system.

Feature	How it works
Total number of questions	Indicated in the upper right-hand corner of the screen.
Available time	Posted in hours and minutes. The test will end automatically when Time Remaining reaches 0:00.
Selecting your answer	Use your mouse to select a number (1 , 2 , 3 , or 4). The answer is highlighted (or checked) when selected. You may change your selected answer for any question until the test is over. If you do not know the answer to a question, it is to your advantage to guess, since there is no penalty for a wrong answer.
Tracking difficult questions	Press the Flag Button to help you keep track of questions you wish to return to at a later time. Flagging questions has no impact on scoring. Press the button again to Unflag the question. You may see which questions have been flagged by clicking Summary .
Question comments	During the assessment, if you have a question or concern about a particular test question, the proctor cannot answer questions about test content; however, you can send a comment to Prov's Test Development Department by clicking the Comment button. Please leave a specific description. Staff will process your comments within two weeks.
Moving to a different question	Use your mouse to select the Next or Back buttons. Press Next to move forward. Press Back to move backward. You may also use your arrow keys (← →) to move forward and backward through the test.
Reviewing your progress	Press the Summary button to see a table indicating which questions are unanswered or which you have flagged.
Ending the test early	Press End Test button when you are ready to leave the test. It is recommended that you review your exam and verify there are no unanswered questions prior to ending the test.
